ABOUT FORÓIGE

Foróige is an independent, non-profit national voluntary youth organisation engaged in out-of-school youth development and education. The organisation enables young people to involve themselves consciously and actively in their own development and the development of society. Foróige employs over 500 staff and involves thousands of volunteers in the creation and delivery of high quality services to young people through the operation of over 400 Foróige Clubs, the Big Brother Big Sister Programme and over 170 General Youth Services and Special Projects

ROLE INFORMATION

The successful candidate will be employed by Foróige as a Youth Officer. The YPSP was established in 1999 and has provided support to 8,995 young parents since 1999. Currently, there are 11 projects across Dublin, Louth, Wexford, Carlow/Kilkenny/South Tipperary, Donegal, Limerick, Cork and Galway. Nationally, the YPSP structure consists of a National YPSP Manager employed by Treoir and a National Advisory Committee, (NAC), with a ministerial appointed chairperson which provides a forum for information sharing and interagency collaboration.

The Kildare Young Parents Support Project YPSP is a new service to be established and provided by Foróige, in partnership with Tusla. This Young Parent Support Project is an ESF+ co-financed programme. The project will be staffed by a Senior Youth Officer and 2 Youth Officers. The YPSP working model is based on offering support in all areas of the young person's life – health, relationships, accommodation, social welfare entitlements, education, training, child development, parenting, childcare, legal issues, antenatal education, and anything concerning the young parents' life.

Typically, referrals to YPSP come from young parents themselves, family members, antenatal clinics, maternity services, friends, teachers, youth services, training agencies, social workers, public health nurses and others interested in the welfare of young parents. Support is provided on a one-to-one basis, through group activities and through referral to other services. One-to-one support is delivered through home visits, office appointments, 'drop in' facilities and meetings away from the YPSP site
